The City of Fayetteville is fully committed to provide Small Local Business Enterprises (SLBE's) an equal opportunity to participate in all aspects of City contracting including, but not limited to participation in the procurement of contracts relating to the construction of and improvements to facilities throughout the City. It is also the policy of the City to prohibit discrimination against any person or business in pursuit of these opportunities on the basis of race, sex, color, religion or national origin and to conduct its contracting and purchasing programs so as to prevent such discrimination. The City is also committed to follow all applicable State and Federal law as they relate to procurement practices.

The City will actively seek and identify qualified SLBE's and offer them the opportunity to participate in the procurement of contracts for all City purchasing and service contracts as well as construction and repair contracts.
